## BURLARS BUSY IN STANFORD AGAIN

Store of George H. Farris Entered,  
and \$3 Secured—Intruder Vis-  
its Cook Home.

Burglars have been busy in Stan-  
ford again the past week, and house-  
keepers are keeping things locked  
tight nowadays and sleeping with  
pistols under their pillows.

The grocery store of George H.  
Farris was entered and robbed early  
Wednesday morning, and that even-  
ing an intruder appeared at the  
home of Mrs. Lelia Cook on East  
Main street and badly frightened  
her young daughter, Miss Mary  
Shepherd Cook, who was alone in  
the house at the time.

The young thief, who effected an  
entrance into Farris' store is believed  
to be the same one who robbed  
Cummings & Weir's dry goods  
store a few weeks ago. His pains  
at the latest scene of his crime were  
not so well rewarded for he only got  
\$3 this time. A drummer sleeping  
in one of the rooms of the St. Asaph  
Hotel with a window on Somerset  
avenue, heard the thief at work on  
the side door through which entrance  
was effected into the basement of  
the store. He did not suspect any-  
thing however, and did not give an  
alarm. Mr. Farris had left his safe  
open with but the \$3 in it, so that  
the thief had no trouble in getting  
it. He did not touch anything else  
in the store, and as in the Cummings  
& Weir's burglary, seemed to be af-  
ter money alone. There are several  
clues to the identity of the young  
man who is doing this prowling at  
night and unless he is mighty care-  
ful in the future, he is going to find  
himself behind the bars.

The intruder at the Cook home,  
made his visit while Mrs. Cook was  
at prayer meeting and Miss Mary  
Shepherd Cook was at home study-  
ing her lessons. She heard the man  
come up from the cellar, but gave  
no alarm and neighbors quickly re-  
sponding, he made himself very  
careful, and could not be identified.

## JAMES A. BEAZLEY.

Set An Example in Lancaster Wor-  
thy of Emulation.

The Danville Messenger on Tues-  
day contained the following tribute  
to James A. Beazley, of Lancaster,  
a transplanted Lincolnite which will  
be appreciated by his many friends  
here. The Messenger says:

Mr. James A. Beazley, of Lancas-  
ter, was here yesterday mingling  
with the court thy crowd. Mr.  
Beazley is a candidate for county  
judge in Garrard, and knowing ones  
say he is a winner. Mr. Beazley is  
a gentleman in every thing the word  
implies, and if elected will give the  
people a clean administration. Sev-  
eral years ago Lancaster was honey  
combed with blind tigers. In fact  
they became so numerous that they  
were run as openly as a licensed sal-  
oon. Several officers were appoint-  
ed, but the tiger continued to flourish  
like a green bay tree. Finally a nu-  
merous gentleman arose and among  
other things, said: "Gentlemen, the  
time has come when some good citi-  
zen must take a sacrifice—must give  
up his business, accept the chief of  
police's place, risk his life and this  
evil can be stopped." For a time  
there was silence, but Mr. Beazley  
arose and said: "Well gentlemen, I  
realize, fully, that the tiger opera-  
tors, and especially their backers,  
will not hesitate to kill any man who  
attempts to stop their nefarious busi-  
ness. I have a wife and several  
children, am a man of limited means  
but I am so anxious to see Lancas-  
ter wrested from this grip of law-  
lessness, and the destruction of the  
hell-pits, that I will accept the place  
for a short time." He took the  
place, appointed a good deputy—  
Mr. Pollard—and while many at-  
tempts were made to kill him, and  
desperados threatened him, he land-  
ed many tiger operators in jail and  
soon Lancaster was as dry as a  
powder horn. Mr. Pollard's deputy,  
was killed, however, one court  
day on the notorious "Battle Row."

Beazley soon had the town as quiet  
as a country grave yard, and re-  
turned to his business pursuits. Mr.  
Beazley's resignation was followed  
by the appointment of Luther Her-  
ron, who has since kept up the good  
work, and it is a fact that today  
there is not a drop of liquor sold in  
Lancaster.

THAT'S THE SOLUTION.  
(Danville Messenger.)

According to the Stanford Journal  
a local option election will be held in  
Lincoln county some time in Decem-  
ber. The wets, it is alleged are cir-  
culating petitions and receiving  
many signatures. The county is dry  
at present, but the wets claim wis-  
dom is being sold everywhere in open  
violation of the law. If this is their  
only reason for wanting saloons op-  
en, why not get some officers who  
will do their duty, thus saving ex-  
pense and annoyance of an election?

PREACHERSVILLE.

Misses Mary Eliza and Kate Holtz-  
claw, of Gilbert's Creek and Miss  
Jennie Rodgers, of Cedar Creek,  
were the attractive guests of the  
Misses Carpenter. Mrs. John H.  
Mershon, of Somerset, who has vis-  
ited her sister, Mrs. W. P. White  
has returned home.

Mrs. Elmer Towler, of Greenburg,  
Ind., who has been a guest of her  
mother, Mrs. Wm. Davall, has re-  
turned home. Her brother, Owen  
Davall, and niece, Miss Nora Smith  
accompanied her.

Joseph R. Blankenship, of Indian-  
apolis, Ind., is visiting friends here  
and elsewhere in Lincoln.

Miss Emma Boone, of Maywood,  
spent a week with her aunt Mrs. W.  
P. White.

Mrs. J. S. Davis and family of  
Beech Grove, visited Mr. and Mrs.  
J. P. Shaw.

Miss Talitha Bell has been suffer-  
ing with a painful fever.

Little Miss Gertrude Adams con-  
tinues quite ill.

Miss Rtie Jennings, of Row-  
land is a guest of Miss Katie Payne.  
The meeting at the Baptist church  
continues with much interest shown.  
Large crowds in attendance.

Rev. Fred M. Jones of Bernstadt,  
is doing some good preaching.

Rev. George A. Joplin, general se-  
cretary of the Kentucky Sunday  
School Association, writes that the  
people of Louisville are making pre-  
paration for at least two thousand  
October 19-22. Write to state of-  
ficials at the State Convention,  
Box 7122 Louisville Trust Building,  
for a full information. Every Sun-  
day School in the state is entitled  
to a delegate. Lincoln county should  
have a large delegation.

Common Colds Must Be Taken Seri-  
ously.

For unless cured they sap the vi-  
tality and lower the vital resistance  
to more serious infection. Protect  
your children and yourself by the  
prompt use of Foley's Honey and  
Tar Compound and note its quick  
and decisive results. For coughs,  
colds, croup, whooping cough, bron-  
chitis and affections of the throat  
chest and lungs it is an every ready  
and valuable remedy. Shugars and

## HARVEY HELM.

Says Democratic Party Must Keep  
Its Platform Pledges.

Congressman Harvey Helm was at  
Democratic headquarters Saturday,  
says the Louisville Times. He re-  
ports the Eighth district in excellent  
condition for the state ticket, and  
tendered his services to the Can-  
didate Committee. When asked about  
his own race next year, he refused  
to discuss it other than to say that  
he would at the proper time make his  
announcement, adding that nothing  
should be done at the present time  
to interfere with the election of the  
splendid state ticket. Mr. Helm stated  
that the Democratic House at  
Washington has made it possible to  
elect a Democratic President next  
year; that this was done by religio-  
usly keeping their platform and  
campaign pledges, and that he natu-  
rally wants to serve under such an  
administration, when the services of  
veterans and not raw recruits will  
be needed. Parties like individuals  
he said must be on the square. "Peo-  
ple are going to elect the Democra-  
tic ticket this fall," he said, "because  
they believe the General Assembly  
will be democratic, and will, like the  
Democratic House at Washington,  
keep the pledges and covenants con-  
tained in the platform and that they  
have made with the people of Ken-  
tucky. They are going to give them  
another try. Should they refuse or  
fail to make good, it will be a long  
time before the party will again be  
instructed with power in this state."

The Danville Messenger Tuesday  
said of Mr. Helm: Hon. Harvey  
Helm was here yesterday and re-  
ceived an ovation from his many  
friends. Mr. Helm has done and  
is doing splendid work in Congress,  
and his record is one of which the  
people are justly proud. He has  
well in Congress, as his assignment  
to several important committees will  
show. He has found several links in  
the war department and his enor-  
mous efforts will save Uncle Sam many  
dollars. Mr. Helm is a good man  
and is making a clean, useful record.

KING'S MOUNTAIN.

Mr. Arthur Murphy has returned  
from San Marcos, Texas, to assist  
his father in moving there. We are  
sorry to give up our good neighbors  
but probably our loss is their gain.

Mr. Allen Gilliland and wife, of  
the southern part of the county are  
visiting his brother V. C. Gilliland.

Mr. Craig Butt and family have  
returned to Ludlow after a week's  
visit with their mother Mrs. Rigney.  
Summie Rigney and family spent  
Saturday and Sunday with relatives  
here.

Mrs. John Lithicum is on the sick  
list.

Quite a number of friends here  
attended the funeral of Miss Meecie  
Horton at Waynesburg last Thurs-  
day. Miss Horton was a daughter  
of Mr. and Mrs. George Horton, of  
Lancaster. She was a good Christian  
girl and every one who knew her  
barned to love her. The bereaved  
family have our greatest sympathy  
in their time of sorrow.

Rev. Combs and family will move  
to Science Hill this week where  
he has been called as pastor to the  
M. E. church.

King's Mountain graded school on  
termed Pleasant Point school Fri-  
day afternoon by giving a spelling  
match, both schools claiming the vic-  
tory.

Miss Elizabeth Dye left Monday  
to take a position at Danville, in the  
exchange office.

Emmett Gooch and family have  
been visiting relatives here.

Mrs. Nora Hayes and Maude Sing-  
leton spent Sunday with Mrs. Will  
Lynch.

William Lynch and wife will leave  
in a few days to go to Arizona. Mr.  
Lynch's health has failed him and  
he will have to leave his position as  
operator for a while.

Mr. V. C. Gilliland was elected  
principal teacher and Miss Lydia  
McKee assistant teacher in the grad-  
ed school. Prof. Gilliland succeeds  
Mrs. Annie Neal as principal.

We are very glad to say that the  
King's Mountain school is progress-  
ing nicely again, and that both teach-  
ers are doing their best to make a  
good and successful school.

J. A. Dean, of Junction City was  
here on business last Saturday.

Mr. Wallace Walter spent a few  
days in Stanford last week.

Mrs. G. A. Walter and little daugh-  
ter Mary have returned from a two  
weeks visit to Cincinnati.

## PARENTS AND TEACHERS.

To Meet Next Wednesday To Perfect  
Organization.

A meeting of the patrons and  
friends of the graded school will be  
held in the chapel of the high school  
building next Wednesday afternoon  
at 3:15. This meeting is for the  
purpose of organizing the Parent-  
Teachers' Association which is for  
the purpose of securing a more united  
effort toward educational ad-  
vancement. This meeting is to em-  
phasize the personal touch and bring  
about a sympathetic relationship of  
patron and teacher. There are three  
classes of the lady who pass criti-  
cism upon the public schools.

1.—The chronic fault-finder who  
finds fault with everything in school  
town, church and state.

2.—The kicker who is prompted  
by personal or selfish motives.

3.—The man or woman who is  
prompted by loyalty to the public  
school, general interest in the young  
people or a genuine desire to pro-  
mote the general welfare.

It is this last class who are most  
cordially invited to attend and take  
part in these sessions which are for  
the good of the community. It is  
the breeze that keeps the education,  
an atmosphere clean. There is no  
year on honest criticism therefore,  
we welcome the opinion of the  
thoughtful man or woman.

This association is formed not to  
air personal grievances but to dis-  
cuss plans for the betterment of the  
schools and to secure the hearty co-  
operation of parent and teacher.  
The general good is the ultimatum.

## SUBURBAN FARM FOR SALE

By authority of Judge L. L. Wal-  
ker, executor of the will of T. B.  
Walker, deceased, we offer for sale  
privately, a fertile farm of 265  
acres, adjoining the city of Lancas-  
ter, Ky., on the northeast, which  
yields abundant crops of all the  
money making products which are  
more valuable than other crops be-  
cause the marketing is much less.

It has a large, new barn and  
fronts beautifully on Richmond ave-  
nue, within the city limits, thus  
solving the problem of country and  
city life by combining them into  
one. A splendid farm, fronting on  
a concrete walk with the advantage  
of electric lights, telephone, pave-  
ment to churches, postoffice, stores  
and one of the best schools in the  
state, is easily worth \$30 more per  
acre than the same kind of land  
far out in the country. We can sell  
it as it is, or include a handsome  
residence which can be connected  
by an intervening tract of land. The  
farm can be sold in several tracts.

### Democratic Ticket.

For Governor—James H. McCreary.  
For Lieut. Governor—E. J. McElmerrick.  
For Treasurer—Thos. S. Rhea.  
For Secretary of State—C. F. Creecius.  
For Attorney General—James Garnett.  
For Auditor—H. M. Rowan.  
For State Superintendent of Schools—Barksdale Hamlett.  
For Commissioner Agriculture—J. W. Newman.  
For Clerk Court of Appeals—R. L. Greene.  
For Railroad Commissioner—W. F. Klair.  
For Circuit Judge—Charles A. Harbin.  
For Representative—W. H. Shanks.

The statement that Ex-Governor Simon Boliver Buckner is strong for McCreary and the whole state ticket was good news to Democrats everywhere. Kentucky has never had a better Governor or more honorable man, and it is gratifying to see him showing renewed interest in the success of his party, while it is not probable that Governor Buckner will be able to make any speeches he will give other evidence of his interest and his commendation will win thousands of votes for the ticket.

It is gratifying to see these old leaders in the ranks once more. All of them realize that Democratic success in Kentucky this year will add materially in the election of a democratic president next year. These successions prove that the Republican statements that the Democracy of Kentucky is divided into factions are without a basis of truth. While the party has been through a very strenuous period, Democrats everywhere, have accepted the result and instead of flying at each other's throats, are united in the list of Democratic stints.

No man who really wants to see additional temperance legislation enacted by the next legislature will vote for Judge O'Rear for governor. Willson was elected under a promise of extending the county unit bill and he couldn't do it and a democratic legislature did not feel bound to fulfill any republican platform promises and it will be the same way if O'Rear is elected.

Speaker Champ Clark and Senator McCreary were given enthusiastic greetings at the former's old home in Lawrenceburg Wednesday. Fully ten thousand people were present, and another big crowd heard them at Harrodsburg that night.

The insurgent Republican headquarters at Washington is predicting Taft's defeat if he is nominated for President in 1912. Figures were made public last week giving the Democrats 328 and republicans 203 electoral votes in the event Taft heads the Republican ticket.

### Digestion and Assimilation.

## The Human Heart

The heart is a wonderful double pump, through the action of which the blood stream is kept sweeping round and round through the body at the rate of seven miles an hour. "Remember this, that our bodies will not stand the strain of over-work without good, pure blood any more than the engine can run smoothly without oil." After many years of study in the active practice of medicine, Dr. R. V. Pierce found that when the stomach was out of order, the blood impure and there were symptoms of general breakdown, a tonic made of the glyceric extract of certain roots was the best corrective. This he called

# THE FARMERS

Stray—Red yearling heifer. R. C. Arnold, Stanford, Ky. (75-21). Strayed from my place big black cow weighing from 200 to 250 pounds. Any information leading to her recovery will be rewarded. A. T. Nunn, Stanford, Ky. 74-5.

For Sale—Old brace livery barn on Depot street. Will sell publicly County Court day October 9. Terms easy. J. C. Eubanks. 74-5.

David Rankin of the Marcellus section bought down in Wayne county, sixty-three feeding cattle that would average 950 pounds. They were bought at 4 to 4 1/2 cents. Mr. Rankin will feed these cattle.

J. L. Preston sold to J. M. May in the Parksville section three 700 pound heifers at three and one half cents a pound.

George B. Sullivan sold 10-800 lb steers to A. J. Thomson at 4 1/2-2c.

T. Y. Shaw sold a bunch of 175 pound hogs to T. W. Jones & Co. for \$6.60.

J. L. Kennedy sold a three-year-old saddle mare to Fisher Herring for \$164.

Fred Brannswieg last week sold his farm near the Somerset pike and adjoining the Tucker place to James Holtzclaw for \$4,100. He had 70 acres of good land. Mr. Brannswieg who is one of the most substantial German citizens of the county, has not yet decided where he will locate. He says he does not intend to leave Kentucky, and his many friends hope he is not going to leave Lincoln county.

J. R. Robinson living near the home of Spenser Champ Clark, in Pike county, Mo., has a hog weighing 1,100 pounds. The hog is 1 1/2 years old, measures 4 feet from tip to tip and 7 feet 4 inches around the girth. It is said to be the largest in the world. The hog was valued at \$1,000.

John C. Caldwell, this week purchased the farm near Alton Springs in Boyle owned by the heirs of the late James Barnes Caldwell. The place contains 125 acres and the price was \$91.50 per acre. The place has been owned by the Caldwell family for 125 years. James Barnes Caldwell was born there and lived there until his death at the age of 90 years.

The highest price that has ever been realized by Paris dealers for cleaned Blue Grass seed was paid last week in Paris when the market reached the unheard of lofty figure of \$3.10 per bushel for fancy cleaned Kentucky Blue Grass seed, in car lot lots. One Paris dealer recently shipped a car of seed for which he received more than \$9,000, while another disposed of a car load at \$7,449.49. A single buyer in that county is said to have on hand more than \$176,000 worth of Blue Grass seed, which was bought uncleaned, at prices ranging from \$1 to \$1.75.

# THIN MILK

How can the baby grow strong if the nursing mother is pale and delicate? Scott's Emulsion makes the mother strong and well; increases and enriches the baby's food.

Chas. Lutes, sold last week to J. H. Baughman a nice four-year-old bay horse for \$150.

T. T. Bohon & Son, of Lebanon, have just shipped to parties in Montana a nice load of Jersey cows and heifers at prices ranging from \$45 to \$65. They bought last week at Salein, Ind., 26 extra four to six-year-old 15.3 to 16 hands mare mules at fancy prices.

Phil B. Thompson sold two yearling mare mules to R. E. Gaines for \$167, to Porter Doshon a weanling mare mule for \$80, to J. H. Baughman, a cow and calf for \$35.50, to J. M. Cress, a cow and calf for \$38.

One night last week thieves raided the cattle pasture of Edward Robinson, of near Orangeburg, Madison county, and got away with nine head of two-year-old cattle, averaging about 1,100 pounds a head. Next to stealing a red hot stove, this is a daring and bold achievement in the way of wholesale stealing.

W. J. Broughner, aged 76, one of Bracken county's leading farmers, was badly injured by an infuriated bull which he was trying to put in a stable. Mr. Broughner had left the animal to water, a rope being fastened to a ring in its nose, and when he led the bull into the stall the animal attacked him and knocked him down breaking a number of his ribs.

By a deed just filed with the County Clerk of Scott county Simon Weil transfers 806 acres of land on the waters of orth Elkhorn and on the Georgetown and Frankfort pike, about seven miles from Georgetown, to L. V. Harkness, the New York horseman. The price paid was \$10,000.

Sales were all the go this week and farmers were kept busy going from one to another. Reports of all have not yet gotten in, but prices are said to have been high on everything offered. At the sale of Sidney Dunbar near Hubble, cried by Col. T. D. English, a North Carolina man bought a pair of fine four-year-old mules for \$577.50; Pries Bros., got a nice mare for \$190; a pair of six-year-old mules were bought by Tiltford Alexander for \$400; Jack Rankin bought a show horse by Carroll Preston for \$185; a Missouri party bought a filly colt for \$180; hogs sold at \$6.65; sows and pigs brought from \$20 to \$40; J. H. Murphy bought a yearling horse colt by Montgomery Chief for \$200.

Charles Lutes and Asa H. Jewell, of Lexington, left Thursday night for Goldsboro, North Carolina, where they will look over the field with a view to establishing headquarters for a retail milk market this winter. They propose to operate through the Carolinas, and intend to do most of their buying in Central Kentucky. Mr. Lutes is one of the best known young live stock men ever turned out in this section of Kentucky, and Mr. Jewell's experience will make the team a hard one to beat.

There were about 100 cattle on the market at Danville Monday but little trading as prices asked for them were considered much too high.

Charles Lutes sold this week to W. Moore & Sons, Lexington butchers, a car-load of 1,000-pound butcher cattle at 4 1/4 cents. Mr. Lutes bought of L. P. Yandell, of Boyle, for Simon Weil, four car-loads of 1,450 pound cattle for which he paid 6 1/4 cents.

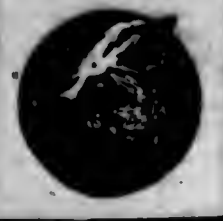

The heavy rains of the past two weeks have caused remarkable growth in tobacco and made it green up, delaying the maturing of the crop. The cutting of the tobacco is being pushed as rapidly as possible. W. F. Kincaid, the well known local buyer, urges the importance of letting the tobacco get ripe before cutting and of handling it so as to cure it up sweet and bright. He says: "Don't be afraid of frost; a little may improve the tobacco. It is better than cutting it green. If your tobacco is late and the weather is cold when you house it, put enough charcoal fire in your barn to make an August heat and keep it that way until the tobacco is yellowed and well cured until."

Mason county is at present housing of a freak or phenomenon in the shape of a pear tree located on Mrs. A. W. West's farm at the forks of the Cabin Creek road between Maysville and Poplar Flat, Lewis county. The tree is in full bloom and at the same time is burdened with large ripening pears. The sight is unusual and those who have seen this nature freak are unable to explain its occurrence.

The Woodford Sun says: An apple tree is in bloom on the Reynolds farm on the Clifton pike. J. W. Newman bought of Schobert & Willis 100 stock ewes at \$5.25 per head. Ernest Dunlap sold to Schobert & Willis 30 head of 950 pound butcher steers at 4 1/2 cents. Schobert & Willis have received 360 stock ewes, bought recently in Chicago.

## THE DEVIL'S SOLOQUY

(By F. Fulhove, Owenton, in the Owenton News.)

One night as the devil sat musing alone, In the midst of his cozy hot fire, And trying to figure the difference in guilt, "Twas a thief and an all-around liar, His memory turned back to days of his youth And his eyes filled up with hot tears, So he took down his ledger and tried to add a page Dated back about six thousand years I suppose he said as he glanced through his book, I am doing the best that I can, For my business shows a grand increase Ever since the creation of man, I've cribbed a rich harvest for six thousand years, And should be content with the yield, And give my opponent permission to get The glenning I've left on the field, I've gathered a very diversified crop Of merchants and farmers galore, I've bound politicians in bundles until, My fingers are everyone sore, I've doctors, gamblers and insurance men, I've murderers, forgers and liars, I've filled up the furnace with the gossip class, Till they have actually put out the fires, I've railroad conductors and jewelers to spare, Horse traders, and fiddlers to spend, Republicans, Democrats, Tories and Whigs, And a good bunch of newspaper men But there is one class I am happy to say, That can never gain entrance here, Their souls are so dirty I am sure that they would Denationalize hell in a year, I refer to this class, neither human nor beast, The carrion crows of the world— Who are never content, but always hell-bent To slander some woman or girl, There's one other class too, that I would not dare To allow come into my den; 'Tis those who delight in the letters they write, And fail to "affix" at the end, Ten million of years in my hottest cells, Their sins could never atone, So I gave them a match and told them to start A select little hell of their own, I know I am king and ruler of hell, Through the darkest of the places I roam, And I know that I'm truly a very bad man, But I've got some respect for my home.

## State

## Normal

Tennyson or Longfellow could take a worthless sheet of paper, write a poem on it and make it worth \$65,000.

That's Genius.

Morgan can write a few words on a sheet of paper and make it worth \$5,000.

That's Capital.

Your wife can buy a coat for \$10, but prefers one that will cost \$30.

That's Natural.

Anyone can write a check for \$50,000,000, but it wouldn't be worth a dime.

That's Rough.

Some millers may tell you they can make better flour than ours.

That's Gail.

Our No. 1 Fancy Patent Flour is as good as run by made, and is sold as low as such quality can be offered.

THAT'S THE TRUTH.

On sale with every groceryman in Stanford.
